ACO153

COMPACT AND HIGH-PERFORMANCE EFFICIENCY

The pressing unit ACO153 has many valuable features to make working easier, faster and safer. The LED signal located under the transparent start button gives information about the battery and the status of the pressing unit or occurred failures. Due to its compact size, the tool can be comfortably operated with one hand and thus enables safe operations, even in difficult installation situations. Thanks to the implemented Bluetooth®- Technology, device-related data can be requested via the NovoCheck app.

ADVANTAGES
